Dear Bob,

It was lovely to speak to you and it was so good to hear that Ray Powles joined you at your recent event. Thank you too, for forwarding the most wonderful donation for the fantastic sum of £3,000.00. This superb sum, which was raised from a fundraising activities throughout the year will be for the benefit of the Royal Marsden Cancer Campaign – Gareth Morgan's Leukaemia Research Fund.

Please convey our most grateful thanks to everyone who so generously contributed to this marvellous donation as without the voluntary financial gifts which we receive, some of the work which we undertake would be impossible to complete and I would ask you to accept our appreciation and thanks for everybody's kindness in donating this money, which will be used to provide essential facilities and services which will help both patients and medical staff in their fight against cancer.

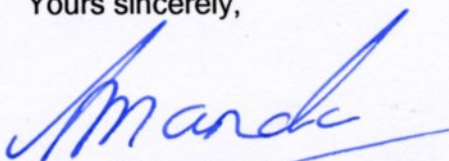

It really is thanks to extraordinary fundraisers like you that we can keep the Royal Marsden Hospital at the leading edge of cancer treatment, research and care. Words cannot express how deeply grateful we are for your outstanding generosity for which we truly do appreciate.

Congratulations for raising so much money - what an amazing achievement and one you should be extremely proud of.

On behalf of all the staff and patients here at the Royal Marsden, I'm delighted to present you with a Bronze Certificate in recognition of your tremendous support and look forward to hearing from you soon.

With my very best wishes.

Yours sincerely,

Amanda Heaton  
Fundraising and Community Development Manager  
The Royal Marsden Hospital, Sutton
